a'

A diagram showing the trumpet fingering for the note a' (A4). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the first valve depressed.

a#' b'

Two diagrams showing the trumpet fingerings for the notes a#' (A4) and b' (B4). The notes are written on a five-line staff. Below the staff is a silhouette of a trumpet with the second valve depressed.

h'

A diagram showing the trumpet fingering for the note h' (B4). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the third valve depressed.

c''

A diagram showing the trumpet fingering for the note c'' (C5). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the first valve depressed.

c#'' d b''

Two diagrams showing the trumpet fingerings for the notes c#'' (C5) and d b'' (D5). The notes are written on a five-line staff. Below the staff is a silhouette of a trumpet with the second valve depressed.

d''

A diagram showing the trumpet fingering for the note d'' (D5). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the third valve depressed.

d#'' e b''

Two diagrams showing the trumpet fingerings for the notes d#'' (D5) and e b'' (E5). The notes are written on a five-line staff. Below the staff is a silhouette of a trumpet with the second valve depressed.

e''

A diagram showing the trumpet fingering for the note e'' (E5). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the first valve depressed.

f''

A diagram showing the trumpet fingering for the note f'' (F5). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the third valve depressed.

f#'' g b''

Two diagrams showing the trumpet fingerings for the notes f#'' (F5) and g b'' (G5). The notes are written on a five-line staff. Below the staff is a silhouette of a trumpet with the second valve depressed.

g''

A diagram showing the trumpet fingering for the note g'' (G5). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the first valve depressed.

g#'' a b''

Two diagrams showing the trumpet fingerings for the notes g#'' (G5) and a b'' (A5). The notes are written on a five-line staff. Below the staff is a silhouette of a trumpet with the second valve depressed.

a''

A diagram showing the trumpet fingering for the note a'' (A5). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the third valve depressed.

a#'' b''

Two diagrams showing the trumpet fingerings for the notes a#'' (A5) and b'' (B5). The notes are written on a five-line staff. Below the staff is a silhouette of a trumpet with the second valve depressed.

h''

A diagram showing the trumpet fingering for the note h'' (B5). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the third valve depressed.

A diagram showing the trumpet fingering for the note c''' (C6). The note is written on a five-line staff. Below the staff is a silhouette of a trumpet with the first valve depressed.
